SHA Update On 140:

The State Highway Administration is scheduled to have one of its experts attend our next meeting. Discussion will be on what can be done to improve traffic flow on Route 140 between the bridge in Baltimore County and Route 91. Questions will be raised as to what can be done to make driving safer on Route 140 especially near Dede Road.

Pathways Meetings:

Brenda Dinne will speak on the Pathways program that has been ongoing in the county for about a year. Dinne will possibly show a video on where the Pathways program has been, the future of the program and update us on what is next.

Finksburg Community Plan:

Daphne Daly is also scheduled to speak at our next meeting on the Finksburg Community Plan. We are anxious to hear where the plan is, what the plan is supposed to do, when will it be implemented and what does it mean to Finksburg. We'd also like to know why it's taken so long to implement it.
