November Meeting: Annual Finksburg History Meeting and Corridor Plan Update:

Mr. Bob Riner, the current Congoleum plant manager, discussed the long history of Congoleum in Finksburg.

In October 2009, the Carroll County Planning Commission announced the cancellation of the Pathways Plan process. This placed the state of the Finksburg plan, which was happening in conjunction with this plan, in question. Daphne Daly joined us at our November meeting and provided an update on the state of the Finksburg Plan.

A revised staff draft of the Finksburg Corridor Plan is now available for you to review on the County Planning Department website: <http://ccgovernment.carr.org/ccg/compplan/finksburg/default.asp>.
